Because this site is dedicated to free books, there’s none of the hassle you get with filtering out paid-for content on Amazon or Google Play Books. We also love the fact that all the site’s genres are presented on the homepage, so you don’t have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort results by publication date, popularity, or rating, helping you avoid the weaker titles that will inevitably find their way onto open publishing platforms (though a book has to be really quite poor to receive less than four stars).

Active Dreaming Journeying Beyond Self
With this deep consciousness of what they owed towards the being to which they had given life, added to the active spirit of tenderness that animated both, it may be imagined that while during every hour of my infant life I received a lesson of patience, of charity, and of self-control, I was so guided by a silken cord that all seemed but one ...
