## **The Definitive Guide to Raising Alpacas - Modern Farmer**

Income from alpacas is generated from selling animals or their fleece. Many breeders value-add and sell finished products made from their own fleece. The Australian Alpaca Association (AAA) assists with a centralised collection service for Australian Alpaca Fleece Ltd who ship fleeces directly to Peru for grading and processing into garments.

## **Basics of alpaca keeping | Agriculture and Food**

Alpacas are less copper sensitive than sheep, and alpaca-specific feeds are too high in copper for most breeds of sheep. Many sheep breeds are heavier than alpacas and may bully alpacas from common feed sources. Sheep may injure alpacas by butting; horned sheep are particularly potentially dangerous. Even gelded male alpacas may have
