whoever does not enter a sheepfold * through the gate but climbs over elsewhere is a thief and a robber.

2 But whoever enters through the gate is the shepherd of the sheep.

3 The gatekeeper opens it for him, and the sheep hear his voice, as he calls his own sheep by name and leads them out. 4 * When he has driven out all his own ...

“A-Ha!” comes only after lots of intense effort. All of this means you have to spend time working on story problems. It is impossible to sit down and spend only a minute or two working each problem. With story problems, you have to spend much more time working toward a solution, and at the university, it is
