Definition of Symbolism. Symbolism is a literary device that refers to the use of symbols in a literary work. A symbol is something that stands for or suggests something else; it represents something beyond literal meaning. In literature, a symbol can be a word, object, action, character, or concept that embodies and evokes a range of additional meaning and significance.

### Symbolism - Examples and Definition of Symbolism

Sextus Empiricus quotes thirty of the thirty-two verses of fragment 1 (the opening Proem of the poem), though apparently from some sort of Hellenistic digest rather than from an actual manuscript copy, for his quotation of fr. 1.1–30 continues uninterruptedly with five and a half verses from fragments 7 and 8.

The history of mental illness goes back as far as written records and perhaps took its first major leap forward in 400 B.C. when Greek physician, Hippocrates, began to treat mental illness as physiological diseases rather than evidence of demonic possession or displeasure from the gods as they had previously been believed to be. Asylums for the mentally ill were established as early as the 8th ...
