**THE FUTURE
DIRECTIONS OF
POSTAL REFORM**

People not in our industry may wonder just exactly what “postal reform” is and why its future is such an issue. Answering all this briefly may not be easy, but here goes.

The Postal
Reorganization Act of

Online Library Future Directions In Postal Reform

“Imagine!” was tasked with addressing where the U.S. postal system needs to be by 2030 and how we get there. It was led by former Postal Regulatory Commission Chairman Dan Blair. Like the industry association panel, this group expressed concern that fundamental change is needed in the business model for the Postal Service, but shared the belief that Congress
