### Gcc Market Overview And Economic

The Middle East regional market covers the Gulf Cooperation Council (GCC-6) members Bahrain, Kuwait, Oman, Qatar and the United Arab Emirates (UAE), and Saudi Arabia. Despite the recent declines in U.S. export values, the UAE and Saudi Arabia remains the 15th and 20th largest markets respectively from the U.S. for consumer foods and are frequently in the top 20 of most major processed food export categories.

### Gulf Cooperation Council (GCC) Market Profile

Amidst muted growth expectations in global markets, the economic outlook for the Gulf Cooperation Council (GCC) region as a whole remains positive, according to the Kuwait Financial Centre's (Markaz) recently released research report. The surge in oil revenues and fiscal reforms of the past years will provide the necessary cushion for GCC countries to support economic growth through capital expenditure, the report said.

### 'GCC market outlook for 2019 positive'

This latest issue finds that growth in the Gulf Cooperation Council (GCC) region is expected to increase from 2.0% last year to 2.1% in 2019, before accelerating to 3.2% in 2020 and stabilizing at 2.7% in 2021. The report commends ongoing reforms made towards improving the business environment in the region.
