Building the best 22R engine has been Jim's thing for 15+ years. Being a master machinist / madman, Jim has spent countless hours perfecting his machining and build process. After years of inspecting, checking, testing and measuring every brand and version of engine parts available, he's weeded out the badness.

### 22RE Performance

Thankfully Toyota made all their mistakes with this one, and the 3.4 and 4.0 are bulletproof. I realize there will be lot's who take offense to this, but please remember, my opinion only, like any engine, do the maintenance when manual says, it'll last longer, but the 3VZE is nowhere near the engine the 22RE is.

A turbocharged version of the 22R-E engine (the 22R-TE) was also introduced in 1986, although this engine is significantly rarer than the base 22R-E. It appears that all turbocharged 4Runner models sold in the US were equipped with an automatic transmission , though a five-speed manual could still be ordered in the turbocharged pickups.
