Who Started The Mommy Wars?

The Mommy Wars. Read any women's magazine or blog today, and you will encounter a long list of mom stereotypes. I'm an older mom, so when I first became a mother in 1995, only two species existed: the Working Mom and the Stay-at-Home-Mom (SAHM). The media, ever a fan of a cat-and-mouse story, decided to declare war: The "Mommy Wars."

The Fallacy and Danger of Mommy Stereotypes | ParentMap

Since the 1990s, it's been hard to watch coverage of parenting without being told there's a war going on. The so-called Mommy Wars are being fought between employed mothers and those who stay at home - a supposed fight over whether mothers' choices are helping kids or doing them harm.

The Mommy Wars | Retro Report

I wrote Mommy Wars to get moms talking about the real issues of working and at-home motherhood — to set straight the myths and misconceptions created by advertising, politicians, and statistics about the so-called war between mothers who work and those who stay home with children. All moms know that motherhood is the hardest "job" we've ever tackled.
