organization committed to the development of a highly skilled workforce – one that will support the future needs of the construction . industry in Canada. Created in April 2001, and financed by both government and industry,

Preparing for Carpenter Training

Before the carpenter can begin his work, he

Where To Download Study Guide For

must have a complete set of construction drawings or prints. He must be familiar with how the drawings are prepared. He should also know how to read the drawings so that he will understand what he must do to comply with their requirements. This chapter will help the carpenter to reach that understanding
