a lot of power, particularly with the Allison AT545 (a 1995 most likely has this transmission).

How do we all feel about the T444E? - School Bus ...

The T444E is a very durable powerplant, while it too has some basic design deficiencies, in MY opinion, this platform is more reliable than the current "DT" line. Given a choice, I would spec the T444E over the current DT (or any other engine). If you want customer service, you NEED an International!

T444E vs. DT466 - School Bus Fleet Magazine Forums

The Navistar T444E is a Diesel V8 engine manufactured by Navistar International Corporation. In its use in Ford Motor Company trucks, vans and school buses, it is the first of the PowerStroke family of diesel engines.
