6. When a parent is concerned that an adult child -- for example, a college student -- is being bullied by a coach, parents need to support their child in making a decision about how to proceed. Coaches who use an intimidation style with adult athletes often report they are doing it in the interest of winning the game.

7 Actions Parents Can Take When Sports Coaches Act Like ...

Though the NCAA requires college athletes to have healthcare insurance, schools are not obligated to pay for an athlete's medical expenses, and it's not uncommon for parents to have to cover part or all the out-of-pocket costs. If the coach has brought up the possibility of an athletic scholarship, it's ok to discuss whether that ...
